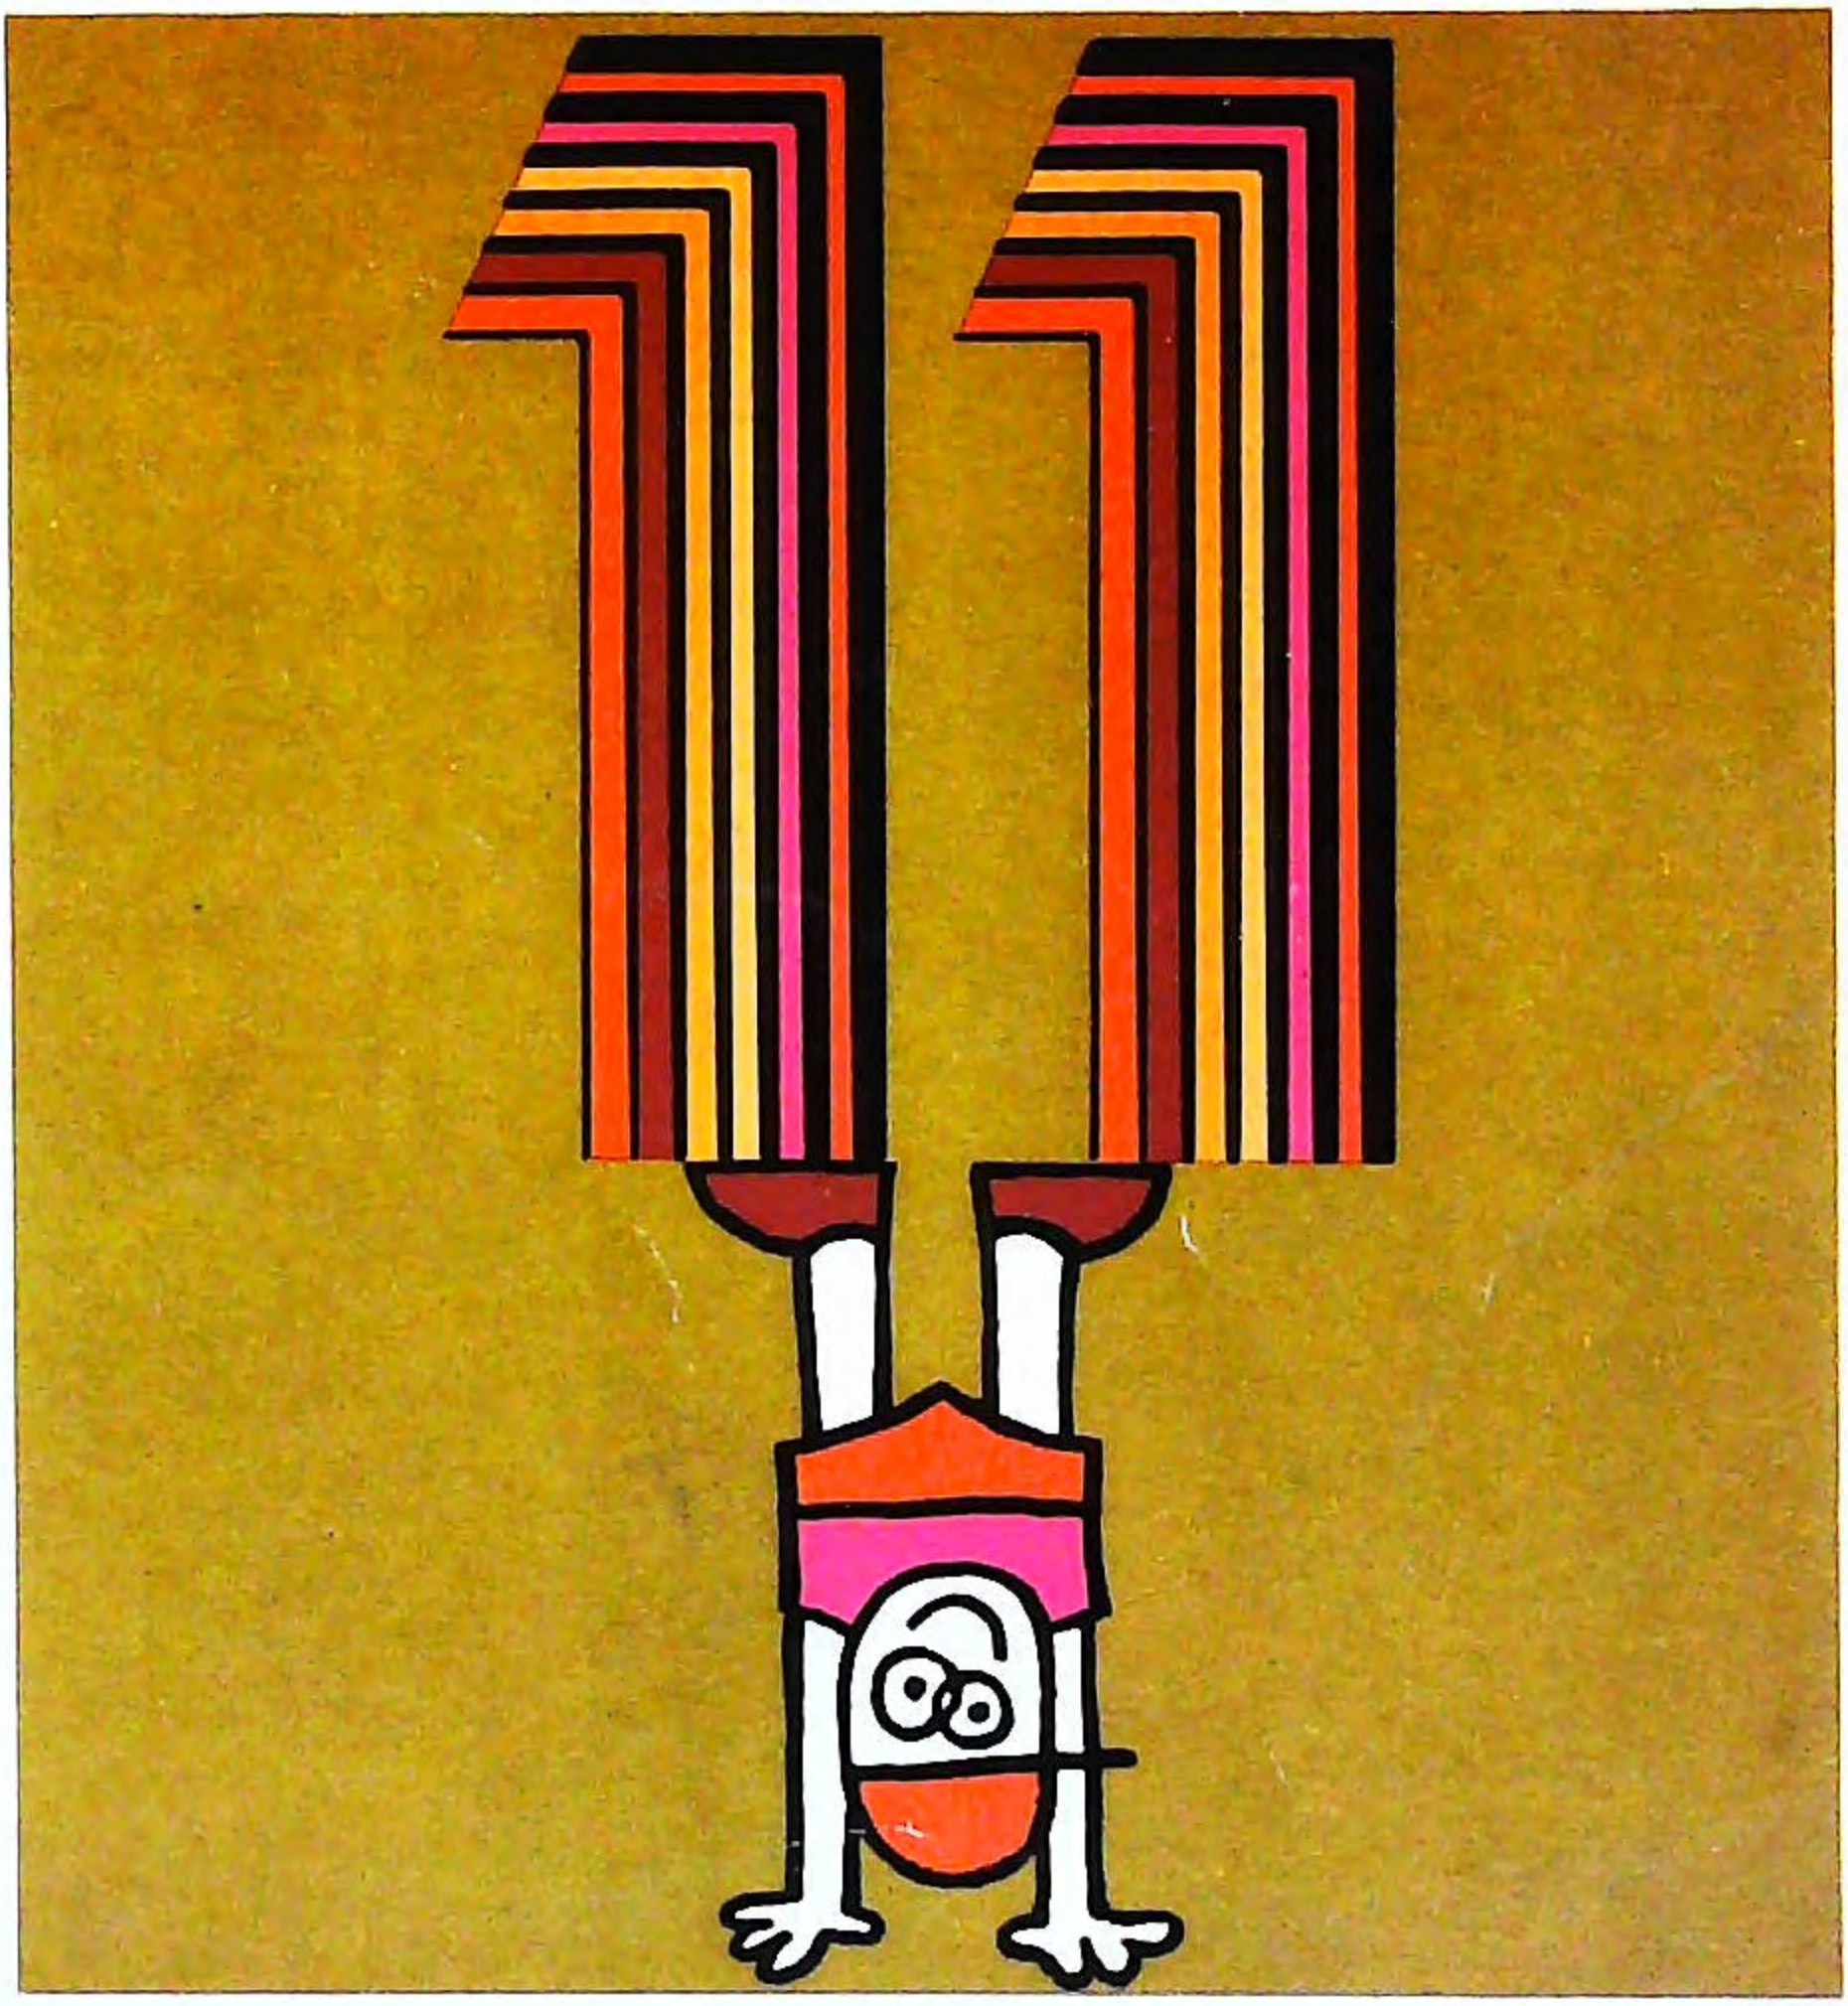
MAD LIBS®

WORLD'S GREATEST PARTY GAME

A DO-IT-YOURSELF LAUGH KIT



BY ROGER PRICE & LEONARD STERN

pss! A PRICE/STERN/SLOAN HUMOR CLASSIC pss!®

MAD LIBS®

MAD LIBS® is a sort of game for people who don't like games. It can be played by two, three, four, or forty.

■ RIDICULOUSLY SIMPLE DIRECTIONS

In this tablet you will find stories containing blank spaces where words are left out. One player, the **READER**, selects one of these stories. The **READER** does not tell anyone what the story is about. Instead he/she asks the other players, the **WRITERS**, to give him/her words. These words are used to fill in the blank spaces in the story.

■ TO PLAY

The **READER** asks each **WRITER** in turn to call out a word. This word will be an adjective or a noun or whatever the space calls for. He/She then writes the words in the blank spaces in the story. After all the spaces are filled in the result is a **MAD LIB**.

The **READER** then reads the completed **MAD LIB** to the other players. They will hear that they have written a story that is fantastic, screamingly funny, shocking, silly, crazy or just plain dumb – depending upon which words each **WRITER** called out.

In case you've forgotten what adjectives, adverbs, nouns, and verbs are, here is a quick review:

An **ADJECTIVE** describes something or somebody. Lumpy, soft, blond, ugly, messy, and short are adjectives.

An **ADVERB** tells how something is done. It modifies a verb and usually ends in "ly". Modestly, stupidly, greedily, and carefully are adverbs.

A **NOUN** is the name of a person, place, or thing. Woman, sidewalk, umbrella, horse-collar, bathtub, and nose are nouns.

A **VERB** is an action word. Run, pitch, jump, and swim are verbs.

When we ask for a **GEOGRAPHICAL LOCATION**, we mean any sort of place: a country or city (Spain, Cleveland) or a room (Bathroom, Kitchen).

An **EXCLAMATION** or **SILLY WORD** is any sort of funny sound, gasp, grunt, or outcry. Wow! Ouch! Whomp! Ick! Gadzooks! are exclamations and silly words.

When we ask for specific words like **A NUMBER**, **A COLOR**, **AN ANIMAL**, or **A PART OF THE BODY**, we mean a word that is one of those things.

When a **PLURAL** is asked for be sure to pluralize the word.

EXAMPLE:

(Before)

" ouch! **!" he said**
EXCLAMATION

Stupidly **, as he jumped into**
ADVERB

his convertible Stomich **and**
NOUN

drove off with his lumpy **wife.**
